CONGRATULATIONS!

Sagar Sahoo
has been nominated for
Service Excellence

I wanted to take this opportunity to thank Sagar for his excellent service. In particular, he worked with the SPHE-Connect team on adding the first wave of new territories (42 total) to SPHE-Connect. There was a business need for our digital partners to be able to easily access and download our digital assets. It only made sense for them to use our HE b2b site to do this. Sagar was a critical component in making this happen. It is always a challenge to work and collaborate with other teams especially with the time difference, but Sagar took this head on and delivered! Kudos to him and the rest of the squad members (especially offshore) to make this happen!
